Called to Order at 7:00 pm by President Larry Robertson

Treasurer Report - Treasurer Shannon Wells

Checking Balance \$82,353.58
Savings Balance \$84,287.09
2024 Membership 1506
2025 Membership 457

Members Concerns

None

Range Status - Director Robert Thomason

Road remains in good condition, no erosion following recent rain

Range use has slowed down, still seeing the regulars out

Target Backers on rifle bays have all been replaced and the steel gongs are all up

He recently noticed a group placed clay pigeons along the upper sides of the berms, advised them to remove the target and stay off of the berms.

The fence needs additional repairs, there are currently more repaired sections than full sections. During the last repair the Fence company recommended putting in all new sections. It was suggested that we schedule repairs during the Fall/Winter while range use is down and before cattle are moved back. It may require a Full Day Closure to complete the repairs Director Albaugh contacted Goff Plumbing to get an estimate on adding an ADA/Wheelchair Accessible toilet. We are currently paying \$151.20 a month for our two units. The upgrade would raise that to \$275.60 a month. The existing concrete would need to be extended to accommodate the larger unit. After a brief discussion we decided to shelf this until a later date.

Front Gate Update - Director Larry Albaugh

We have reached out to a second vendor for an additional quote on the gate hardware and controls and are waiting to schedule a meeting. The regional representative from Door King, the

company that offers the gate controls and access hardware, has been providing more information and suggestions for our application. The front portion of the gate will need to be reconfigured to allow movement in snow, we will gather a recommendation and estimate from Bill's Machine Shop for the needed modifications

No additional actions or agenda items.

Motion to adjourn brought by Treasure Shannon Wells, Motion 2nd by Director Thomason, all in favor and meeting adjourned at 7:30 pm

Next meeting December 9th, 2024 at 7 pm
